HCL Breakthrough is a natural source of betaine-derived hydrochloric acid, that may help increase stomach acid, or hydrochloric acid to support digestion and detoxification.

Directions: Take 1 capsule with each meal, or within 30 minutes of eating a meal. Store in a cool/dry location.

Caution: Keep out of reach of children. Do not use if ulcer or gastritis are present. As with any product, discontinue immediately if adverse effects occur. Please consult a physician before beginning any new supplement diet, training program, or if you are undergoing treatment of a medical condition.
